To our valued customers,

Cobham AvComm (formerly Aeroflex), has entered into a licensing agreement with Advanced Technical Group (ATG) of Miami Lakes Florida for the manufacture, sale and support of the legacy JcAIR/Aeroflex Databus product line. ATG is an ISO 9001:2008 certified electronics/software engineering and manufacturing solutions provider. With over 20 years of experience delivering innovative solutions for complex technical challenges, ATG is well suited to continue the manufacture and support of the Aeroflex databus product line. For sales inquiries, please contact [sales@a-tg.com](mailto:sales@a-tg.com)

This licensing agreement includes all databus products and accessories related to the following:

**Model Number**

|                |                            |
|----------------|----------------------------|
| 429E/EB/EBP/EX | 429 Handheld Databus TX/RX |
| DT200          | CSDB Databus Analyzer      |
| DT400/H        | 429 Databus Analyzers      |
| DT600          | 629 Databus Analyzer       |
| T1200B         | 429 Control Display Unit   |
| T120X          | Test panels & accessories  |

More information on ATG can be viewed at: [www.a-tg.com](http://www.a-tg.com)

**ATG may be contacted at:**

14046 NW 82 Avenue  
Miami Lakes, FL 33016-1547  
Ph: 305-556-1957  
Fax: 305-556-6510  
Email: [sales@a-tg.com](mailto:sales@a-tg.com)  
Support: [support@a-tg.com](mailto:support@a-tg.com)

For product manufactured by JcAIR/Aeroflex, please continue to use Express Calibration Services [custsvc@expresscal.com](mailto:custsvc@expresscal.com) for your calibration and repair needs.

Thank you for your interest in Cobham AvComm products. Should you have any questions regarding this announcement, please send an email to [info-test@aeroflex.com](mailto:info-test@aeroflex.com) or call (800) 835-2352.
